

Imperial CEO Sweet Sweet Love Novel

Chapter 176 To 180

Chapter 176

Now standing here is sleepy. I have to watch old lady Gu doze off. As soon as he moves a little, she seems to know that he is going to run. Then she opens her eyes.

He can only stand!

When hearing the servant say that Er Shao and his wife came back, Gu Ziming suddenly came to the spirit, and someone accompanied him to be punished.

Gu Zhen had fallen asleep on the sofa before they came back. Old lady Gu was dozing off and woke up when she heard Gu Mocheng and Su an settled down.

Gu Mocheng walks ahead, and su'an follows him like a cute little daughter-in-law.

Under the crystal light, old lady Gu saw suan'an's red eyes at a glance, her sleepiness was gone, she stood up and kissed anxiously, "An'an, who bullied you?"

Tell her to find someone for suan'an.

Gu Ziming knows why the second uncle of Gu's family has a cold face. Su an smiles with tears in his eyes and tells the old lady, "grandma, the second uncle bullied the little aunt. Hit the second uncle quickly."

Old lady Gu stared at Gu Ziming and said, "you stand for me."

After that, she looked at Gu Mocheng and wanted to know who bullied su'an from Gu Mocheng, but Gu Mocheng had a calm face and saw that Gu's old lady was afraid.

It's a long time since I saw my son angry.

Who's offended him?

"Ann, come and tell mom, who bullied you, and mom will decide for you."

It won't be tempting to bully su'an so badly that Mo becomes angry.

But it's not like that. If su'an is bullied by others, Gu Mocheng will be angry for her immediately, not so angry.

"Grandma, read a book. It's the second uncle who bullied the little aunt." "I don't believe him," Gu said.

"Stand up." Old lady Gu snapped.

"You know to hang out and study with your little aunt."

Gu Ziming said with a smile, "grandma, little sister-in-law just came back."

Gu didn't believe Gu Ziming. She reached for su'an to come over and heard Gu Mocheng say in a cold voice, "stand over."

Yeah? Everyone was stunned, including Gu Zhen, who just woke up.

Gu Mocheng seems to have said this to su'an. He is taking out his cigarette and wants su'an and Gu Ziming to stand together.

Su an an takes a look at Gu Mocheng and stands by Gu Ziming.

Gu Ziming's mind was balanced. He smiled and said to suan'an, "did you win?"

Isn't that a well-known question? Gu Mocheng caught them on the spot, where can he win the game back.

Su An'an looked at Gu Ziming's expression of gloating, and thought it was Gu Ziming's appearance with Gu Mocheng. She gave him an angry look.

Gu Ziming was innocent. "It was uncle Er who found it. I didn't say anything."

Old lady Gu and Zhen can't understand. How could su'an be punished by Gu Mocheng.

"Mo Cheng, why let an stand?" "It's very painful," said Gu.

Gu Mocheng was smoking, and did not answer the old lady's words. His anger was suppressed all the time. He wanted to let it go down by smoking.

"Grandma, she's driving without telling uncle Er." Gu Ziming answers for Gu Mocheng.

Why does Mrs. Gu do it? Isn't it suu'an racing?

She chuckled. "I think Ann made a mistake and drove a car. It's nothing serious."

After that, Gu Mocheng stopped smoking. He looked at old lady Gu and asked in a cold voice, "do you know that she drives fast?"

"Grandpa and grandma have known for a long time. They asked me not to talk to you." In order to make himself less punished, Gu said anxiously.

Now relatives are used for selling in his eyes.

Gu Mocheng turns to see Mrs. Gu and Gu Zhen. Before Mrs. Gu starts to defend herself and su'an, Gu Zhen coughs and says, "we only know about An'an's racing recently."

"Last time we saw the news, we thought something happened to your plane. Ann drove us there. "

Gu Zhen finished, Gu Mocheng's face was very ugly.

"So I'm the only one who doesn't know that his wife likes racing."

"Mocheng, it's not a big thing. Didn't you often play with people when you were young?" "Old lady Gu said to tsu'an.

"Ann knows it's wrong. She won't play."

"Grandma, you haven't figured out the situation. She went to the game today and was caught on the spot by the second uncle. " Gu Ziming said happily.

"She didn't play before, she went to the game today." Gu emphasized.

Gu Laofu angrily scolds Gu Ziming, "you are a bad boy. No one will treat you as a mute if you don't speak."

Gu Ziming was scolded by old lady Gu. It's clear that Su an made a mistake. Why should he be scolded.

"Ann, didn't you say you couldn't go?" Old lady Gu said to suan'an. Suan did not speak. She stared at Gu Mocheng.

Gu Mocheng did not look back at her while smoking.

"Mo Cheng, An'an, she knows she's wrong, so don't be angry with her. Don't beat or scold the little girl. Teach her slowly." Looking at her son standing there silently, old lady Gu was very distressed.

Gu Ziming can't listen. He deserves to find his own way. Su'an can't be beaten or scolded if he is punished.

"Second uncle, don't listen to grandma. This time, the little aunt will not tell you how to drive. Next time, she will not tell you what dangerous things to do." Gu Ziming exclaimed that he could not let his uncle forgive Su'an easily.

"Shut up." "Old lady Gu is annoyed to pick up the book on the tea table and smash it at Gu Ziming." stand up for me, you stinky boy. "

Old lady Gu didn't hit Gu Ziming. He lowered his head and kept quiet for a while.

Gu didn't speak. He finished smoking and turned to the second floor.

Old lady Gu can see that her son is really angry this time, and the anger is not small.

Suan'an looks at Gu Mocheng and leaves herself behind. She opens her mouth to call him, but doesn't make a sound.

"Ann, keep up."

Old lady Gu urged su'an to say, "I'm sorry with Mo Cheng, it's OK."

Su An'an looks at old lady Gu gratefully, and runs out to speed. Gu Zhen and old lady Gu are still on her side, talking for her.

Did she go too far this time.

Su An'an followed Gu Mocheng upstairs. When she got to the room, she carefully called out, "I'm sorry, husband. I really know I'm wrong."

Gu Mocheng ignored her, and he went to take a bath.

Su an an stands alone in the room, the heart is stuffy, cannot say is uncomfortable.

She thought that Gu Mocheng would be angry when he knew it, but he was really angry and ignored her. She was very sad and uncomfortable.

Fu Xin's text message will come in. Su an looks at her and asks if she can handle Gu Mocheng.

Su'an is not in the mood to reply to the text message. She seems to have offended Gu Mocheng and can't make sure of him.

Gu quickly took a bath and saw suan'an sitting on the bed without speaking.

Su'an stood up and hugged Gu Mocheng. "Honey, would you like to have a word with me?"

She said softly, "don't ignore me."

The little girl flattered, adding fuel to the anger of Gu Mocheng.

"Ann, you make me angry." Gu Mocheng said in a deep voice.

I'm really angry. I wish I could beat her. Doesn't she know? Just now, when he saw her car hit the guardrail, his heart jumped out directly for fear of a little accident.

He raised his hand as he thought.

Chapter 177

Because Gu Mocheng's words, Su an shed tears.

She looks at Gu Mocheng's raised hand and closes her eyes. She was afraid that Gu Mocheng would ignore her and not love her.

The slap didn't fall on her face. Gu Mocheng raised it and lowered it.

He wanted to beat her up angrily. Did she know? Today's competition is very difficult. Once passing the pan mountain road carelessly, it will fall down and cause personal injury.

But I can't help it!

He stared at suan'an angrily, looking at the tears on her face. He was even more angry, "don't cry."

By his roar, Su an sobs, two eyes full of water mist stare at Gu Mocheng.

"Husband."

Gu Mocheng twisted his head and didn't look at su'an.

Su An'an's small hand goes to catch Gu Mocheng's, her soft voice is shaking in his ear all the time, "husband, don't be angry, OK?"

Can you not be angry? He turned his head and stared at her coldly, saying, "I don't know anything else about you."

Su'an sobbed, tears big big big drop down, "I like two years ago on the racing, also often run to participate in the competition. The month before last, I was racing with Gu Ziming, and you suddenly rushed out to see you surpass me. I'll get up with you as soon as I get angry. "

"Then he pushed you aside and gave you a thumbs up."

Su'an told the story, but now he can't hide it. Maybe Gu Mocheng already knows it.

"Suan, you are so kind." Gu Mocheng said hatefully.

"Honey, I dare not." She cried and said, looking at him pitifully with tears in her eyes. "I'll listen to you later. Don't make trouble!"

"Trouble?" Gu Mocheng sneers. His anger doesn't subside. He pulls her away from his arms. "An'an, you have to reflect on yourself."

Said he left suan'an, suan'an looked at his back, whispered again, "husband."

Her voice clip cry cavity, listen to Gu Mocheng heart bottom sad, accelerated the pace of the foot, went to the next study.

Su'an looks at Gu Mocheng and doesn't go back. She knows that Gu Mocheng is really angry this time.

She stood alone in the room, watching the door of the study closed, her heart felt a sense of being trampled.

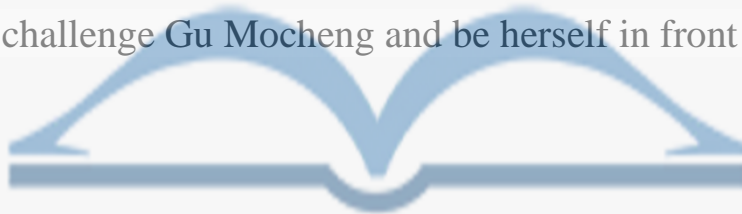

It turns out that love is not only sweet, but also painful when it hurts.

She tasted the sweetness of love and knew its pain.

Su An'an doesn't like the sharp pain, which makes her feel pain everywhere even when she sobs.

Should she not challenge Gu Mocheng and be herself in front of him.

Suan is lost!

This night is not only Su an's insomnia, Gu Mocheng deliberately stayed in the study for a long time, his mind is full of little girl's crying face.

He was reluctant to beat her and scold her, but she cried first.

Thinking about it, Gu couldn't help laughing.

He was really angry with suan'an, but when he saw her tears, he whispered in his ear, "honey, I'm wrong", which made him want to lose his temper.

When to start, there is no way for him to take the girl.

Even if she killed and set fire, he would protect her.

At one o'clock in the morning, Gu Mocheng thought she was asleep and went back to her room to sleep.

The night light in the bedroom was on, and Suan lay asleep in her clothes on the bed, with no quilt on her body and tears on her face.

Gu Mocheng passed by, gently covered her with a quilt, and then lay down beside her.

Su'an didn't fall asleep. After Gu Fucheng turned off the night light at the head of the bed, she opened her eyes and looked at Gu Fucheng with her back to her side. Su'an wanted to lean over and hold him.

But she didn't, "honey, don't be angry with me."

She doesn't like Gu Mocheng who is angry with herself, which makes her feel that Gu Mocheng will not want to be herself.

Gu Mocheng heard her, did not return to her, but in the dark night he sighed softly.

Who will tell him what to do with this little girl!

Because she didn't sleep for one night, su'an slept very late the next day. When she woke up, there was no figure of Gu Mocheng around her.

Su an is in a hurry. She runs out of the room to find Gu Mocheng.

The old lady Gu downstairs is talking with Gu Zhen. Seeing Su an, she beckons to her.

"Ann, what are you looking for?" Asked Mrs Gu.

Gu Zhen looks at Su An'an and says, "Mo Cheng has gone to the company."

"Ann, don't worry. In fact, Mo Cheng's ears are very soft." Old lady Gu said to suan'an with a smile.

Gu Zhen demolished the old lady's platform and said, "is that right?"

Their own son, they know.

Gu Mocheng is angry, but once angry, it's hard to cure. This time, su'an went to speed racing without telling Gu Mocheng, obviously stepping on the bottom line of Gu Mocheng. Old lady Gu advised Gu Mocheng for a long time in the morning. Gu Mocheng ignored her.

It can be seen from Gu Mocheng's attitude that without ten and a half days, Gu Mocheng will not be discouraged. It depends on Suan's performance.

"Ann, you should be good at this time. Call Mo Cheng more often." Said old lady Gu.

"Mocheng cares about you very much."

Suan nodded. She was thinking how to let Gu Mocheng cool down.

These days, Su An'an's performance is quite good. She rushes back to her old house every day after class and waits for Gu Mocheng to get off work.

No matter when Gu Mocheng comes back, whether Gu Mocheng's face is cold or different from her, she will NAG and smile to the end.

Anyway, after Gu Mocheng, he cried sweetly, one by one, calling Gu Mocheng without any temper.

Old lady Gu thinks su'an's move is particularly useful. However, Gu Ziming has a sentence. Who knows when su'an will not listen to his uncle.

This was said at the dinner table, and Gu Mocheng was also present. In a word, Gu Mocheng didn't want to forgive suan'an so quickly.

Gu Ziming's position in Gu's family has declined, of course, and he doesn't want to make su'an better off.

Because Gu Ziming's words, Gu Mocheng continues to cool down su'an. On the one hand, he is afraid that su'an will run out again and drive fast. On the other hand, he likes her to please him.

If he is offended by others, he will not be angry because of a "husband".

It's only Suan who makes him feel deeply frustrated.

In order to make Gu Mocheng happy, su'an, at the suggestion of Mrs. Gu, also learned to cook the meals that Gu Mocheng liked with the servants of the old house.

Old lady Gu said that to keep a man, we must first provide him with the stomach.

Su An'an thinks this sentence is wrong. Mrs. Gu is the best example. The old lady is poor at cooking, but Gu Zhen has always loved her.

The cooking skill of suan'an is the same as that of old lady Gu, or even worse.

At least Mrs. Gu won't make the kitchen like the world war, and the kitchen used by suan'an is a mess.

The taste of the product is so bad for Su an.

Old lady Gu shook her head. She wanted Su an to learn how to cook some dishes to please Mo Cheng. Now, it's over.

Su An'an herself is very depressed. She really studies cooking hard.

But she was spoilt for what she had in her hand.

My sister makes a good dish, but she can't learn anything.

Thinking of Su ruocheu, su'an misses her cooking.

When Gu Mocheng came back, he smelled the burning smell coming out of the room. He thought it was old lady Gu who was interested again. He tried to cook some new dishes and burned the kitchen.

Chapter 178

"Come, Mocheng, try the dishes made by An'an." Old lady Gu waved to Gu Mocheng.

Gu Mocheng looks at an ugly dish on the table, and then looks at su'an.

"Honey, I can't cook well. I lied to you before." Su'an didn't wait for Gu Mocheng to open his mouth. He first admitted that he had cheated Gu Mocheng about cooking.

Gu Mocheng looked at her flustered expression and moved her lips.

"Here, have a taste. Scrambled eggs with tomatoes." Said old lady Gu to Gu Mocheng.

"Scrambled eggs with tomatoes?" Gu Mocheng sneers at him. Seeing that he doesn't move his chopsticks, old lady Gu says to su'an, "it doesn't look good, but it tastes good."

Even Gu Zhen spoke for suan'an, "better than your mother."

At this point, old lady Gu didn't like it. She turned her head and waited for Gu Zhen to shut up and eat her own food.

They two old people are just like having a happy life on their back. Seeing that Gu Mocheng saves su'an's gas, they are uneasy.

What if such a good daughter-in-law is run away by their son?

Let her son wait another ten years, it's really an old man.

Under the expectant eyes of suan'an and old lady Gu, Gu Mocheng moved his chopsticks. He tasted them slowly and worried about Suan and old lady Gu.

"Not bad." Said Gu Mocheng.

It's OK to say that, but Gu Mocheng obviously has a lot of time for this dish.

After eating, Gu Mocheng stood up and went upstairs. Su'an thought he didn't pay attention to himself as he did the other day. When Gu Mocheng went up the steps, he heard her say, "An'an, come here."

Su'an is helping the servant to clean up the dishes and chopsticks. Old lady Gu is more worried than she is. She says to su'an, "An'an, go upstairs quickly."

"Have a good talk. Don't fight." Old lady Gu said to him uneasily.

On the second day of su'an's car racing, old lady Gu looked at su'an's red and swollen eyes and felt very sad. She almost thought her son had raped her.

Su'an followed Gu Mocheng into the study. She didn't know what Gu Mocheng was looking for. She was very uneasy.

Gu Mocheng looked at suan'an, who lowered his head and didn't speak. Seeing her clever performance these two days, his anger was half gone.

"I'm going to divest Sue."

Su'an looked up and was surprised that Gu Mocheng had said it to himself.

"Oh." Suan replied.

She has no opinion about what he does.

Previously, he invested in Su's bottomless hole, and su'an disagreed.

Su's good or bad has nothing to do with her. After her mother died, Su Hua married Jiang Mei, and the Su family was no longer her family. Why should she sacrifice herself for the good of others.

I will agree to marry Gu Mocheng because of my sister.

Thinking of her sister, Su an looks at Gu Mocheng. If Gu Mocheng withdraws his capital, Su Hua will not deal with her sister if she gets angry.

Suan can't help clenching her fist. After so long, why hasn't she been solved yet. Originally, I won the prize of the competition. After I picked up my

sister, I was able to buy a house for her and let her live in peace.

"If Su Hua comes to you, you tell him that you want me to inject money again and exchange it with Su ruocheu."

"Well?" Gu Mocheng's words shocked su'an. Gu Mocheng withdrew his investment in Su's family to help her bring out her sister.

Su'an was moved when she settled down. She approached Gu Mocheng, raised her head and asked, "husband, why are you so kind to me?"

"I made you so angry."

Gu Mocheng thinks that suan'an asked a silly question. She is his wife. He is not good to her. Who is good to?

In this life, I'll be nice to her.

As for being angry with her, there is no conflict with being nice to her.

Su An'an said, with a thick face and a smile. She reached for Gu Mocheng's big hand and said, "honey, I will listen to you in the future."

"Really!"

She also raised her hand to the top of her head, promising.

Gu didn't want to forgive su'an so quickly. When he thought of su'an driving with his back and others, his heart was angry.

To get angry, he looked down at the smile on the little girl's face, but he was fierce.

Seeing that Gu Mocheng ignored himself, su'an Anshun climbed up the pole and threw herself into Gu Mocheng's arms.

"Honey, I'm wrong. Don't be angry with me. Or you can hit me a few times! "

As she spoke, she secretly looked up at Gu Mo Cheng's cold face.

"But don't play too hard!"

Gu Mocheng listened to her words and really hit her ass twice.

"What a fight!" Su'an didn't expect Gu Mo to come true and beat her ass.

It's so big. Su an feels embarrassed when he is spanked by his husband.

"Suan, next time you mess with me, I'll break your ass." Gu Mocheng said angrily, don't think that after beating her a few times, his anger will be gone, and the matter of speeding will be over. Su an an knows how to look at his face. Although Gu Mocheng and her face are taut now, his eyes are not angry.

"Husband, don't worry, I won't make you angry again." Su an an gives Gu Mocheng a bright smile. She then stands on tiptoe and kisses Gu Mocheng's lips.

Gu Mocheng is in a good mood now. She doesn't take the opportunity to let him forget about the racing. Forgive yourself quickly.

To please, to be good, to seduce again, all the means should be used.

"Suan."

Being kissed by suan'an, Gu couldn't be angry with her.

"Husband, don't be angry with me. If you regenerate my anger, I will kiss you until you are not angry." Said Suan with a smile.

Gu Mocheng smiles, "who taught you this?"

Kiss him not angry?

He listened to her voice "husband", want to be angry have no way to her.

"You." Su an an returns a word, she stands on tiptoe again, kiss toward Gu Mocheng's lips.

She kisses gently, thinking of the cold war with Gu Mocheng these two days, tears run out and stick to Gu Mocheng's face.

"Husband, no matter how big a mistake I make, you should not ignore me."

"I'm afraid you'll leave me alone."

Su An'an looked into Gu Mocheng's eyes and said softly.

What she was most afraid of was not Gu Mocheng beating her, but that he didn't want her.

Gu Mocheng put out his hand to wipe away her tears. "Well, what are you crying for?"

"How can I not want you?"

He said, hugging Suan in his arms.

"I'm not the girl you want. I'll fight, play truant and race with people." With tears in her eyes, Suan said, "you must like the kind of gentle and obedient girls. They will not be so naughty and disobedient as I am."

"I used to pretend in front of you and cheat you. Now you find out, you must be very angry about how you find such a bad wife! "

Gu Mocheng is surprised at the thought in su'an's heart. He holds her and listens to her.

"Ann, the family man will not divorce easily, unless!"

"Except for what?" Suan is in a hurry.

"Unless he dies, we can't grow old together."

When Gu Mocheng said that, his eyes were full of tenderness to look at su'an.

"But you don't love me." Su An'an smiled bitterly and replied, "how painful it is to be with someone who doesn't love you."

Gu Mocheng is shocked. He doesn't like su'an's sad expression. He frowns, doesn't explain, and leans down to kiss her lips.

Su An'an is surprised that Gu Mocheng suddenly kisses himself. After one kiss, Gu Mocheng touches her lips. "Ann, don't make me angry."

Chapter 179

Suan thought about it. She should be able to do it without causing Gu Mocheng to be angry.

"Husband, don't worry about making you angry next time, I'll think for a month." Said Suan, swearing.

When she said this, she really didn't want to make Gu Mocheng angry, but she did something wrong soon, which brought the relationship between the two people to a freezing point.

Because of Gu Mocheng's sudden withdrawal, the money put in by Su Hua was caught in a flash. This time, the situation is different from the last time, and the situation is so bad that he doesn't know what to do.

Because of Gu Mocheng's capital injection, Su Hua has invested all the money that can be moved in, hoping to double and double his money in this project.

How can I think of Gu Mocheng's sudden withdrawal of funds at his own loss.

Gu Mocheng relies on Gu's abundant capital, and doesn't pay attention to the money he invested in Su. Su Hua thought that he had Su ruocheu in his hand, and su'an would listen to his arrangement. How could he think that su'an told Gu Mocheng about Su ruocheu? What's more, Su ruocheu disappeared suddenly, and the people he sent out to look for her in the dark haven't responded until now.

How on earth did Su ruocheu disappear? Suhua still hasn't figured it out.

For Mr. Su, it's not the shortage of funds that makes it worse. It's the government who comes to look up Mr. Su's books.

Su Hua is so busy with Su's business that he watches the TV show of his tax evasion and tax evasion. He turns to Jiang Mei, who is calling old Mrs. Jiang.

All you can ask for is Gu Mocheng, old lady Jiang. But the Jiang family is too interested. How can old lady Jiang, the son of the Soviet family, take over the mess!

No, he can't let sushi die. No matter what the price is, he has to do everything to keep sushi.

Han longyi went back to the clinic from the outside and heard the TV broadcast that Su's company was making a serious loss and doing tax evasion.

He is going to watch it. Su ruocheu has changed the stage.

"Dr Han, you're back." Su ruocheu turned to Han longyi and said.

It's afternoon time. Not many people come to see the doctor.

Han longyi's small clinic is not busy. Most of the elderly and aunts come to talk with him. Now Han longyi has more Su ruocheu here. They don't come here often and leave time for two people to be alone.

"If Chu, I bought you a present on the street." Han longyi said he handed the box to Su ruocheu.

Su ruocheu opened it and smiled.

"This necklace is beautiful."

How can it not be beautiful? This is Hans' new necklace next year. It's more

expensive than blue tears.

Both Han and Xiao are doing jewelry business in Ningcheng, but they have different priorities.

Xiaoshi cooperates with many jewelers, and Xiaojia, the jeweler counter in Ningcheng mall, has shares.

Han family's business focus is not on jewelry, because Mrs. Han likes jewelry, so every year the designer will specially design a series of jewelry necklaces, one of which is unique.

What Han longyi is holding now is the unique jewelry of the series launched by Han next year.

Han longyi likes it at a glance. He thinks this moon Tooth Pendant is very suitable for Su ruocheu.

Su ruocheu touched the crescent on the necklace pendant, and she said with a smile, "this necklace looks very valuable."

Han longyi's identity, he did not say with Su ruocheu. Su ruocheu regarded him as an ordinary clinical doctor.

"Imitation." Han longyi said that he only wanted to have a simple life, "just bought it from a girl on the street."

"She said she designed the necklace." Han longyi explained.

Su ruocheu chuckled, "thank you."

Su ruocheu collected the necklace, but did not put it on. Han longyi saw that

she closed the box and lost a bit.

She is an intelligent woman, even if she has been locked up for seven years, she is also a pearl covered with dust.

"Something happened to the Su family. Do you want to go back and have a look?" Han longyi remembers what he said in the news just now and asks Su ruocheu.

Su ruocheu shook his head. "No."

"Go back, what do you think is my end?"

It's strange that Su ruocheu will pause for a long time when she speaks with others. Only when she communicates with Han longyi, her thoughts are clear and her words are smooth.

Maybe the man in front of her is to cure her doctor.

Han longyi was stunned and immediately understood the meaning of Su ruocheu.

Su Hua closes Su ruocheu up mercilessly, which shows that in Su Hua's heart, Su family's face is more important than his daughter's.

When Su ruocheu goes back, he will not necessarily sell him at the joint of Su's family, like Su an.

"Well." Han longyi nods. He doesn't think it's hard for su. What's wrong with Su ruocheu not going back.

"However, in Su's current situation, it is obvious that someone is targeting

Su's family." Su ruocheu analyzed.

"This man hates Su's family very much. He drives Su's family to a dead end step by step." Han longyi is surprised. How does Su ruocheu see it?

She hasn't been out in this period of time, and she hasn't been to sushi."News, computers." Su ruocheu returns to Tao.

After seven years in prison, she came out very strange to the world.

This Ningcheng is very different from what she saw in those days. In seven years, let alone the buildings on the street, it's the upgrading of mobile phones, which is too fast for her to adapt.

Fortunately, with the help of Han longyi, she learned fast.

"In this year's financial news, Su's poor management has been mentioned many times." Su ruocheu said in a low voice, her voice heavy, "Suhua attaches great importance to the acquisition of benefits. Since June, Suhua has been obviously hit by people who are interested in it, but Suhua is determined to use a project to make up for the losses of several businesses that have been hit."

"What can't be changed by Gu's injection of funds? The projects carried out by Suhua can't be liked by the government. Without the support of the upper class, the relationship has not been established. How can he continue? Gu Mocheng has the intention to help him, which should be to dredge the relationship and then invest money. "

"Gu Mocheng just wants to attract all the funds from Suhua to invest in that project, and it's normal for him to withdraw his capital suddenly. As it is, it will be sooner or later for sue to go bankrupt. " Su ruocheu said faintly,

stunned by Han longyi.

He checked Su ruocheu's information and knew that Su ruocheu had helped Su Hua Run the Su family seven years ago. But I had to be surprised to hear her say about Su's condition.

Such a girl has been locked in the top floor by Suhua for seven years, making her crazy and blind for seven years.

At this moment, Han longyi couldn't say how much he felt.

"As for who is dealing with Suhua, you have to ask who Suhua has offended in recent years. Now people come back and bite su. His next step is not necessarily to let Su go bankrupt. It is possible to take control of Su, or to offer attractive conditions for Su Hua to obey him. "

"How do you know this man doesn't want sue to die?" Han longyi asked.

Su Ruo smiles for the first time

She felt that someone was dealing with Su Shi, but when this person ate Su Shi almost, he relaxed his mouth again. This is not a chance for Suhua to breathe and ask for help.

It was Gu Mocheng before. It is likely that this person is waiting for Su Hua to ask him.

"How do you want to help Sue?" Han longyi asked. If she needed it, he would help.

Su ruocheu smiled and shook his head. "When my mother was there, there was su. Mom's gone, and so is Sue. "

The present surname Su is not the same as the former one.

And Su ruocheu can't forgive Su Hua for having locked her up for seven years. What's more, Su Hua didn't take good care of An'an and forced An'an to marry Gu Mocheng with her own threats.

Fortunately, Gu Mocheng, An'an's husband, is a good man. Otherwise, when Su ruocheu was in danger, he would stab another knife, which would make him lose the chance to turn over.

Chapter 180

Su'an and Gu Mocheng make up. Old lady Gu is most happy. She knows that su'an can handle her son. Stop Gu Mocheng and Su An'an holding hands and sticking together, Gu old lady can't close her mouth with a smile.

Gu Ziming is depressed. Su'an makes a mistake and gets the second uncle's forgiveness so soon. Gu Ziming was very reluctant and thought it was unfair.

"Second uncle, have you forgiven my aunt so quickly?" Gu Ziming said a sour sentence and was upset.

After he said that, he got a chestnut from an old lady Gu, "you stinky boy, I can't see how your uncle and aunt are doing."

Gu Ziming felt the beaten head and closed his mouth for the time being.

After su'an sent Gu Mocheng to the old house, Gu Ziming was waiting on the path back to the old house.

"I can't see you're very skilled, Suan." In just a few days, I got rid of the second uncle.

"Thank you." Suan replied.

Su'an thought that Gu Mocheng had found out about his racing. It was Gu Ziming's complaint, so he couldn't give him a good look.

"I didn't go to the last competition. You were caught by the second uncle, even if it's even. But, Suan, we have to compete again. " Gu Ziming doesn't believe that su'an has become obedient. He wants su'an to compete with him again. This time, he must say to uncle Er that he will destroy their relationship, otherwise his position in his family will be lower and lower.

"No comparison." Suan refused to come.

She just made up with Gu Mocheng. How could she go to the race again? And Gu Ziming's little comparison is not good either.

"If you win, I'll give you my scooter." Gu Ziming seduced.

When it comes to locomotives, Su Anan still wants them in her heart, but she refuses, "No."

Seeing that su'an returns firmly, Gu Ziming looks at su'an in surprise.

So fast.

He doesn't believe that rivers and mountains are easy to change and nature is hard to change!

Gu thought that he heard su'an say, "no, your uncle, my husband will buy it for me."

She is not so stupid. She makes Gu Mocheng angry again for racing with Gu Ziming for a broken locomotive.

"Shit!" Gu Ziming said angrily, "su'an, you have my second uncle to support you!"

"It's so great to have a husband in pain." Suan proudly showed off.

As she spoke, she thought of Gu Mocheng. Last night's warmth would still feel his tenderness.

Look at su'an's smile, Gu Ziming is annoyed, "su'an, don't be arrogant! "

to play, Gu Ziming's mobile phone rings. It's his group of friends.

They called to invite Gu to play together. Gu looked at su'an in front of them and said, "where is it? I'll be right here. "

After he hung up, he looked at su'an and said, "tell Grandma, I'll go to school."

Go to school or not, Gu Ziming knows. When he left, he looked back at su'an and warned, "su'an, don't talk to them."

She waved and said, "hurry up."

Without Suhua's "summon", su'an sent it to his door.

She plans to have a good talk with Suhua.

Because Gu Mocheng suddenly withdrew his capital from the Su family, the Su family was in a hurry.

Su'an suddenly comes back, and Su Hua is more angry at the same time.

Gu Mucheng suddenly withdrew his capital, and Suhua decided that it was su'an who instigated him.

"Suan, you still have the face to come back!" As soon as he entered the door, Suhua swore at su'an.

Su'an didn't take Su Hua's anger to heart. She went straight to the living room and sat on the sofa in front of her.

"Dad, this is my home. I have no face to come back."

Su Hua's face darkened with Su an's rebuke.

She came back to be angry with him, this evil girl!

"Suan!" Su Hua shouted angrily. His eyes were fixed on Su An'an, and he wished he could shake them.

Such a daughter, why did he leave her in the first place.

"Dad." "I'm wrong?" she called, pretending to be innocent

"Didn't you and your mother fight together to make money to buy this house?" Su An'an sneers that when she mentions Su's mother, Su Hua's face gets colder.

"Suan!" Su Hua is angry. He looks at the ashtray on the tea table and doesn't want to smash it at su'an on the opposite side.

Suan is smart. When he takes the ashtray, he stands up and waits for him to smash it. Her people have dodged.

Seeing that he didn't hit su'an, Su Hua was so angry that he bit his teeth.

"Suan! You dare to hide. "

He called Suan by the name of hate.

Don't you let him fight? Suan thought, reassured and disdainful.

Let Suhua fight, Suhua also didn't feel that she was filial, better to her. Suan smiled. "Dad, don't be angry. I came here today to talk to you about something important." "Mocheng knows that something happened to sushi. He plans to spend 50 million yuan to help sushi get through this difficulty." According to Gu Mocheng, su'an said to Suhua.

"You can rest assured that 50 million yuan is only the first fund, and will be invested later."

"Hum." After hearing Su An'an's words, Su Hua not only has no joy, but is disdainful and angry.

If Gu Mocheng had not turned against him, occupied his family's money, and withdrawn his capital to Su, how could su now be in this situation.

Gu didn't want to help Su at all.

"Dad, Mocheng really wants to help sushi." Su An'an said that it's good to have her husband behind her. She doesn't have to worry about angering Su Hua and being threatened by Su Hua to do something she doesn't want.

Before he came, Gu said that if Su Hua attacked her, he would frighten him in the name of Gu Mocheng.

If you threaten her with Su ruocheu, don't be afraid.

"Sincerely?" Su Hua sneered at the word, "Su Anan, don't think I didn't know that you asked Gu Mo to withdraw capital from Su family." Anyway, in Su Hua's eyes, su'an has a feud with him. Su'an can't see Su Jiahao at all.

So not to be seen by Suhua, she simply admitted.

"Yes, I asked Mocheng to divest."

"What I want to say, Dad, is clear to you," she said

"No way!" As soon as su'an spoke, Su Hua shouted angrily.

He will never be threatened by this evil woman.

"Dad, we gave you money to save Sue's life. It's just for her sister. You haven't lost money. " Suan replied.

"Suan!" Su Hua's chest hurt from Su an's anger. He stared at her with cold face.

"I want my sister." Su'an is not afraid of Su Hua, but stares back, she says in a deep voice.

"If you give me your elder sister, I will immediately let Gu Mocheng inject capital into the Su family, and I will not withdraw capital at will."

Su Hua listened to Su an's words and smiled coldly.

This time, Su Hua didn't call su'an for the first time because Su ruocheu disappeared suddenly. He didn't have su ruocheu to threaten su'an.

Now su'an comes to the door and asks him for Su ruocheu. He wants to ask su'an where he has hidden Su ruocheu?

However, Su Hua didn't question. Since su'an came to him for negotiation and exchanged money for Su ruocheu, it means that su'an didn't know about his disappearance.

"Suan, this is your home. I'm your father. You even threaten your father with money!" Suhua scolded in a cold voice.

"Su Shi is my and your mother's hard work. Do you have the heart to watch it die?"

"Is it?" Suan asked in a sneer.
